Redmond Code Rewrite – Design Standards, Development Standards 2 and 3

Ms. Lynda Aparicio, Senior Planner, was informed that no specific comments were received with regards to Design Standards and Development Standards II packages.

Ms. Thara Johnson, Associate Planner, provided a report regarding the Development Standards III package. She noted that five issues were received. These issues were addressed as follows:

- Issue No. 1 – Members of the Council discussed limiting external effects of the reorganization with respect to end users – Closed;
- Issue No. 2 – Closed;
- Issue No. 3 – Closed;
- Issue No. 4 – Closed;
- Issue No. 5 – Members of the Council concurred that they would keep the Code Rewrite Commission's recommendation on this item; and
- Banners – no new language will be enacted – Closed.

Redmond Principles for Sustainability

Councilmember Myers noted that he previously asked for the study session to further identify the City's role in reflecting sustainability standards. Discussion ensued regarding:

- staff's memo addressing each goal and activities that the City is currently engaged in with regard to those goals; and

- possible establishment of performance measures to ascertain if the City has a balanced approach to sustainability.

Redmond Pool Update

Mr. Mark Hickok, Recreation Operations Manager, provided a status update to the Mayor and Members of the Council with regard to the City's pool operations.
