

## Sustainable Yards, Gardens & Food Systems

Redmond City Council invites you to this special day. Join them in welcoming Keynote Speaker Patti Southard of King County GreenTools at 11am With the City of Redmond & Redmond Library
SATURDAY, SEPTEMBER 21

11am – 4:30pm Library Meeting Rooms

Join the City of Redmond and Redmond Library for an Autumn Speakers Day. Sustainable Yards, Gardens & Food Systems is an opportunity for you to connect with local experts on topics including container gardening, backyard chicken husbandry, soil care and healthful food. Learn and share best practices for sustainable and environmentally-friendly gardens and meals. Refreshments and food samples provided.
