The Three-Year Priority Action Plan Status Report shows Redmond's progress toward completing transportation studies and construction projects that the City identified in its 2005 Transportation Master Plan to be started within three years of plan approval. Each section includes different kinds of projects: ordinances, studies/plans, design projects, and construction projects. Projects in the "Design Only" section are considered complete when design is complete whereas projects under the "Construction" section are considered complete when construction is complete.
