Subject: Southeast Redmond Neighborhood Plan Update

MEETING PURPOSE

The purpose of the Planning Commission's study session on July 16, 2014 is to continue discussion and resolution regarding proposed updates to and public testimony provided for the Southeast Redmond Neighborhood Plan.

COMMISSIONER PREPARATION

Please continue to familiarize yourselves with the Technical Committee Report dated June 13, 2014. Staff has also included updated issue matrices for policies (electronic only – updated to include testimony on issue I2 on page 25) and regulations, an updated issue guide, and additional written public testimony received so far (electronic only – these were distributed in hard copy on July 9). The Commission agreed to hold the July 9th public hearing open for an additional week to allow for additional written items. Please review the enclosed materials in preparation for your study session.

Please send any additional questions or issues to staff by 8:00am on Monday, July 14 and please send requests for support material such as maps and diagrams by the close of business on that same day. As needed, staff will send updated issue matrices and a discussion wayfinding document to Commissioners that include the new items and support materials on July 16 for your meeting that evening.
