WHEREAS, the City Council, after hearing, and after duly considering all relevant evidence and testimony presented, has determined that the City of Redmond requires a levy in the amount of \$24,406,841, which includes an increase in property tax revenue from the previous year beyond that resulting from the addition of new construction and improvements to property and any increase in the value of state-assessed property and amounts authorized by law as a result of any annexations that have occurred and refunds made, in order to discharge the expected expenses and obligations of the City; and
