Section 1
Purpose of Agreement

A. The purpose of this AGREEMENT is for WSDOT to provide funding to the CONTRACTOR to be used solely for activities undertaken to fulfill the requirements of RCW 70.94.521 through RCW 70.94.555, hereinafter known as the "Project."

B. If this AGREEMENT is used as match for any other related projects with federal funds, in addition to the requirements of Sections 1 through 22 of this AGREEMENT, the CONTRACTOR must assume full responsibility for complying with all federal rules and regulations consistent with the requirements imposed by use of the federal funds on any such related project(s), including but not limited to Title 23 of the U.S. Code, Highways, as applicable, the regulations issued pursuant thereto, 2 CFR Part 200, and 2 CFR Part 1201. The CONTRACTOR must also assume full responsibility for compliance with Federal Highway Administration's (FHWA) Required Contract Provisions Federal-Aid Construction Contracts, FHWA 1273, which may be found here, <https://www.fhwa.dot.gov/programadmin/contracts/1273/1273.pdf>, and any amendments thereto; and/or the Federal Transit Administration Master Agreement 23, which may be found here, <https://www.transit.dot.gov/sites/fta.dot.gov/files/FTA%20Master%20Agreement%20FY2017%20-%2010-1-2016.pdf>, and any amendments thereto.

Section 2
Scope of Work

The CONTRACTOR agrees to perform all designated tasks of the Project under this AGREEMENT as described in Exhibit 1, "Project Scope of Work," attached hereto and by this reference is incorporated into this AGREEMENT.

Section 3
Term of Project

The CONTRACTOR shall commence, perform and complete the Project within the time defined in the caption space header above titled "Term of Project" of this AGREEMENT regardless of the date of execution of this AGREEMENT, unless terminated as provided herein. The caption space header above entitled "Term of Project" and all caption space headers above are by this reference incorporated into this AGREEMENT as if fully set forth herein.

Section 4
Project Costs

The total reimbursable cost to accomplish the Project Scope of Work shall not exceed the "State Funds" detailed in the caption space header above titled "Project Costs." The CONTRACTOR agrees to expend eligible "State Funds" together with any "Contractor Funds" identified above in the caption space header "Project Costs," in an amount sufficient to complete the Project as detailed in Exhibit 1, "Project Scope of Work." If at any time the CONTRACTOR becomes aware that the cost that it expects to incur in the performance of this AGREEMENT will differ from the amount indicated in the caption space titled "Project Costs" above, the CONTRACTOR shall notify WSDOT in writing within three (3) business days of making that determination.

Section 5
Reimbursement and Payment

A. Payment will be made with State Funds by WSDOT on a reimbursable basis for actual costs and expenditures incurred, while performing eligible direct and related indirect Project work during the Project period. Payment is subject to the submission to and approval by WSDOT of properly prepared invoices that substantiate the costs and expenses submitted by CONTRACTOR for reimbursement. Failure to send in progress reports and financial information as required in Section 7 – Progress Reports may delay payment. The CONTRACTOR must submit an invoice using either State of Washington Form A-19 (Invoice Voucher), a copy of which is attached hereto as Exhibit 3 and by this reference incorporated into this AGREEMENT or a format approved by WSDOT. Such invoices may be submitted no more than once per month and no less than once per year, during the course of this AGREEMENT. If approved by WSDOT, said invoices shall be paid by WSDOT within thirty (30) days of receipt of the invoice.

B. **State Fiscal Year End Closure Requirement (RCW 43.88):** The CONTRACTOR shall submit an invoice for completed work in the same state fiscal period, as defined in RCW 43.88, starting on July 1 and ending on June 30 the following year within the timeframe set forth in the caption space header of this AGREEMENT entitled "Term of Project" during which the work was performed. Reimbursement requests must be received by July 15 of each state fiscal period. If the CONTRACTOR is unable to provide an invoice by this date, the CONTRACTOR shall provide an estimate of the charges to be billed so WSDOT may accrue the expenditures in the proper fiscal period. Any subsequent reimbursement request submitted will be limited to the amount accrued as set forth in this section. Any payment request received after the timeframe prescribed above will not be eligible for reimbursement.

Section 6
Project Records

The CONTRACTOR agrees to establish and maintain for the Project, either a separate set of accounts or, accounts within the framework of an established accounting system in order to sufficiently and properly reflect all eligible direct and related indirect Project costs incurred in the performance of this AGREEMENT. Such accounts are referred to herein collectively as the "Project Account." All costs claimed against the Project Account must be supported by properly executed payrolls, time records, invoices, contracts, and payment vouchers evidencing in sufficient detail the nature and propriety of the costs claimed.

Section 7
Progress Reports

The CONTRACTOR shall submit quarterly progress reports to WSDOT so that WSDOT may adequately and accurately assess the progress made under the terms of this AGREEMENT. The progress reports shall be prepared as prescribed by WSDOT on the forms provided in Exhibit 2, "Project Progress Report" and/or as provided and modified by WSDOT staff, attached hereto and by this reference incorporated into this AGREEMENT. The CONTRACTOR shall provide a final progress report, as prescribed in Exhibit 4, "Final Project Progress Report" and/or as provided by WSDOT staff, attached hereto and by this reference incorporated into this AGREEMENT, with any changes to the form applied according to the agreement modification process in Section 9. Progress reports shall be submitted to WSDOT no later than forty-five (45) days from the end of each calendar quarter.

Section 8
Audits, Inspections, and Records Retention

WSDOT, the State Auditor, and any of their representatives, shall have full access to and the right to examine, during normal business hours and as often as they deem necessary, all of the CONTRACTOR's records with respect to all matters covered by this AGREEMENT. Such representatives shall be permitted to audit, examine and make excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, and other matters covered by this AGREEMENT. In order to facilitate any audits and inspections, the CONTRACTOR shall retain all documents, papers, accounting records, and other materials pertaining to this AGREEMENT for six (6) years from the date of completion of the Project or the Project final payment date. However, in case of audit or litigation extending past that six (6) years period, then the CONTRACTOR must retain all records until the audit or litigation is completed. The CONTRACTOR shall be responsible to assure that the CONTRACTOR and any subcontractors of CONTRACTOR comply with the provisions of this section and provide, WSDOT, the State Auditor, and any of their representatives, access to such records within the scope of this AGREEMENT.

Section 9
Agreement Modifications

A. Either PARTY may request changes to this AGREEMENT, including changes in the Scope of Project. Such changes that are mutually agreed upon shall be incorporated as written amendments to this AGREEMENT. No variation or alteration of the terms of this AGREEMENT shall be valid unless made in writing and signed by authorized representatives of the PARTIES hereto, provided, however, that changes to the project title, federal ID number, UPIN the contact person of either PARTY, or dollar amount changes that do not affect the project total cost, will not require a written amendment, but will be approved and documented by WSDOT through an administrative revision. WSDOT shall notify the CONTRACTOR of the revision in writing.

B. If an increase in funding by the funding source augments the CONTRACTOR's allocation of funding under this AGREEMENT, the CONTRACTOR and WSDOT agree to enter into an amendment to this AGREEMENT, providing for an appropriate change in the Scope of Project and/or the Project Cost in order to reflect any such increase in funding.

C. If a reduction of funding by the funding source reduces the CONTRACTOR's allocation of funding under this AGREEMENT, the CONTRACTOR and WSDOT agree to enter into an amendment to this AGREEMENT providing for an appropriate change in the Scope of Project and/or the Project Cost in order to reflect any such reduction of funding.

Section 10
Recapture Provision

In the event that the CONTRACTOR fails to expend State Funds in accordance with state law and/or the provisions of this AGREEMENT, WSDOT reserves the right to recapture State Funds in an amount equivalent to the extent of noncompliance. The CONTRACTOR agrees to repay such State Funds under this recapture provision within thirty (30) days of demand.

Section 11
Disputes

A. If the PARTIES cannot resolve by mutual agreement, a dispute arising from the performance of this AGREEMENT the CONTRACTOR may submit a written detailed description of the dispute to the WSDOT Public Transportation Division's Statewide Transportation Demand Management Programs Manager or the WSDOT Public Transportation Statewide Transportation Demand Management Programs Manager's designee who will issue a written decision within ten calendar (10) days of receipt of the written description of the dispute. This decision shall be final and conclusive unless within ten calendar (10) days from the date of CONTRACTOR's receipt of WSDOT's written decision, the CONTRACTOR mails or otherwise furnishes a written appeal to the Director of the Public Transportation Division or the Director's designee. In connection with any such appeal the CONTRACTOR shall be afforded an opportunity to offer material in support of its position. The CONTRACTOR's appeal shall be decided in writing within thirty (30) days of receipt of the appeal by the Director of the Public Transportation Division or the Director's designee. The decision shall be binding upon the CONTRACTOR and the CONTRACTOR shall abide by the decision.

B. **Performance During Dispute.** Unless otherwise directed by WSDOT, the CONTRACTOR shall continue performance under this AGREEMENT while matters in dispute are being resolved.

Section 12
Termination

A. **Termination for Convenience.** WSDOT and/or the CONTRACTOR may suspend or terminate this AGREEMENT, in whole or in part, and all or any part of the financial assistance provided herein, at any time by written notice to the other PARTY. WSDOT and the CONTRACTOR shall agree upon the AGREEMENT termination provisions including but not limited to the settlement terms, conditions, and in the case of partial termination the portion to be terminated. Written notification must set forth the reasons for such termination, the effective date, and in case of a partial termination the portion to be terminated. However, if, in the case of partial termination, WSDOT determines that the remaining portion of the award will not accomplish the purposes for which the award was made, WSDOT may terminate the award in its entirety. The PARTIES may terminate this AGREEMENT for convenience for reasons including, but not limited to, the following:

1. The requisite funding becomes unavailable through failure of appropriation or otherwise;
2. WSDOT determines, in its sole discretion, that the continuation of the Project would not produce beneficial results commensurate with the further expenditure of funds;
3. The CONTRACTOR is prevented from proceeding with the Project as a direct result of an Executive Order of the President with respect to the prosecution of war or in the interest of national defense; or an Executive Order of the President or Governor of the State with respect to the preservation of energy resources;
4. The CONTRACTOR is prevented from proceeding with the Project by reason of a temporary preliminary, special, or permanent restraining order or injunction of a court of competent jurisdiction where the issuance of such order or injunction is primarily caused by the acts or omissions of persons or agencies other than the CONTRACTOR; or
5. The State Government determines that the purposes of the statute authorizing the Project would not be adequately served by the continuation of financial assistance for the Project;
6. In the case of termination for convenience under subsections A.1-5 above, WSDOT shall reimburse the CONTRACTOR for all costs payable under this AGREEMENT that the CONTRACTOR properly incurred prior to termination. The CONTRACTOR shall promptly submit its claim for reimbursement to WSDOT. If the CONTRACTOR has any property in its possession belonging to WSDOT, the CONTRACTOR will account for the same, and dispose of it in the manner WSDOT directs.

B. **Termination for Default.** WSDOT may suspend or terminate this AGREEMENT for default, in whole or in part, and all or any part of the financial assistance provided herein, at any time by written notice to the CONTRACTOR, if the CONTRACTOR materially breaches or fails to perform any of the requirements of this AGREEMENT, including:

1. Takes any action pertaining to this AGREEMENT without the approval of WSDOT, which under the procedures of this AGREEMENT would have required the approval of WSDOT;
2. Jeopardizes its ability to perform pursuant to this AGREEMENT, United States of America laws, Washington state laws, or local governmental laws under which the CONTRACTOR operates;
3. Fails to make reasonable progress on the Project or other violation of this AGREEMENT that endangers substantial performance of the Project; or

4. Fails to perform in the manner called for in this AGREEMENT or fails, to comply with, or is in violation of, any provision of this AGREEMENT. WSDOT shall serve a notice of termination on the CONTRACTOR setting forth the manner in which the CONTRACTOR is in default hereunder. If it is later determined by WSDOT that the CONTRACTOR had an excusable reason for not performing, such as events which are not the fault of or are beyond the control of the CONTRACTOR, such as a strike, fire or flood, WSDOT may: (a) allow the CONTRACTOR to continue work after setting up a new delivery of performance schedule, or (b) treat the termination as a termination for convenience.
- C. WSDOT, in its sole discretion may, in the case of a termination for breach or default, allow the CONTRACTOR ten (10) business days, or such longer period as determined by WSDOT, in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions. If the CONTRACTOR fails to remedy to WSDOT's satisfaction the breach or default within the timeframe and under the conditions set forth in the notice of termination, WSDOT shall have the right to terminate this AGREEMENT without any further obligation to CONTRACTOR. Any such termination for default shall not in any way operate to preclude WSDOT from also pursuing all available remedies against CONTRACTOR and its sureties for said breach or default.
- D. In the event that WSDOT elects to waive its remedies for any breach by CONTRACTOR of any covenant, term or condition of this AGREEMENT, such waiver by WSDOT shall not limit WSDOT's remedies for any succeeding breach of that or of any other term, covenant, or condition of this AGREEMENT.
- E. Any termination of the AGREEMENT, whether for convenience or for default, that requires the AGREEMENT to be terminated or discontinued before the specified end date set forth in the caption header, "Term of Project", shall require WSDOT to amend the AGREEMENT to reflect the termination date and reason for termination.

Section 13
Forbearance by WSDOT Not a Waiver

Any forbearance by WSDOT in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

Section 14
Waiver

In no event shall any WSDOT payment of grant funds to the CONTRACTOR constitute or be construed as a waiver by WSDOT of any CONTRACTOR breach, or default, and shall in no way impair or prejudice any right or remedy available to WSDOT with respect to any breach or default. In no event shall acceptance of any WSDOT payment of grant funds by the CONTRACTOR constitute or be construed as a waiver by CONTRACTOR of any WSDOT breach, or default which shall in no way impair or prejudice any right or remedy available to CONTRACTOR with respect to any breach or default.

Section 15
WSDOT Advice

The CONTRACTOR bears complete responsibility for the administration and success of the work as it is defined in this AGREEMENT and any amendments thereto. Although the CONTRACTOR may seek the advice of WSDOT, the offering of WSDOT advice shall not modify the CONTRACTOR's rights and obligations under this AGREEMENT and WSDOT shall not be held liable for any advice offered to the CONTRACTOR.

Section 16
Limitation of Liability and Indemnification

A. The CONTRACTOR shall indemnify and hold harmless WSDOT, its agents, employees, and officers and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs (hereinafter referred to collectively as "claims"), of whatsoever kind or nature brought against WSDOT arising out of, in connection with or incident to this AGREEMENT and/or the CONTRACTOR's performance or failure to perform any aspect of this AGREEMENT. This indemnity provision applies to all claims against WSDOT, its agents, employees and officers arising out of, in connection with or incident to the acts or omissions of the CONTRACTOR, its agents, employees and officers. Provided, however, that nothing herein shall require the CONTRACTOR to indemnify and hold harmless or defend the WSDOT, its agents, employees or officers to the extent that claims are caused by the acts or omissions of the WSDOT, its agents, employees or officers. The indemnification and hold harmless provision shall survive termination of this AGREEMENT.

B. The CONTRACTOR shall be deemed an independent contractor for all purposes, and the employees of the CONTRACTOR or its subcontractors and the employees thereof, shall not in any manner be deemed to be the employees of WSDOT.

C. The CONTRACTOR specifically assumes potential liability for actions brought by CONTRACTOR's employees and/or subcontractors and solely for the purposes of this indemnification and defense, the CONTRACTOR specifically waives any immunity under the State Industrial Insurance Law, Title 51 Revised Code of Washington.

D. In the event either the CONTRACTOR or WSDOT incurs attorney's fees, costs or other legal expenses to enforce the provisions of this section of this AGREEMENT against the other PARTY, all such fees, costs and expenses shall be recoverable by the prevailing PARTY.

Section 17 Governing Law, Venue, and Process

This AGREEMENT shall be construed and enforced in accordance with, and the validity and performance thereof shall be governed by the laws of the State of Washington. In the event that either PARTY deems it necessary to institute legal action or proceedings to enforce any right or obligation under this AGREEMENT, the PARTIES hereto agree that any such action shall be initiated in the Superior Court of the State of Washington situated in Thurston County.

Section 18 Compliance with Laws and Regulations

The CONTRACTOR agrees to abide by all applicable State laws and regulations, including, but not limited to those concerning employment, equal opportunity employment, nondiscrimination assurances, Project record keeping necessary to evidence AGREEMENT compliance, and retention of all such records. The CONTRACTOR will adhere to all of the nondiscrimination provisions in Chapter 49.60 RCW. The CONTRACTOR will also comply with the Americans with Disabilities Act of 1990 (ADA), Public Law 101-336, including any amendments thereto which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment public accommodations, state and local government services and telecommunication.

Section 19 Severability

If any covenant or provision of this AGREEMENT shall be adjudged void, such adjudication shall not affect the validity or obligation of performance of any other covenant or provision, or part thereof, that in itself is valid if such remainder conforms to the terms and requirements of applicable law and the intent of this AGREEMENT. No controversy concerning any covenant or provision shall delay the performance of any other covenant or provision except as herein allowed.

Section 20 Counterparts

This AGREEMENT may be executed in several counterparts, each of which shall be deemed to be an original having identical legal effect. The CONTRACTOR does hereby ratify and adopt all statements, representations, warranties, covenants, and agreements and their supporting materials contained and/or mentioned in such executed counterpart, and does hereby accept State Funds and agrees to all of the terms and conditions thereof.

Section 21 Execution

This AGREEMENT is executed by the Director of the Public Transportation Division, State of Washington, Department of Transportation, or the Director's designee, not as an individual incurring personal obligation and liability, but solely by, for, and on behalf of the State of Washington, Department of Transportation, in his/her capacity as Director of the Public Transportation Division.

Section 22 Binding Agreement

The undersigned acknowledges that they are authorized to execute the AGREEMENT and bind their respective agency(ies) and/or entity(ies) to the obligations set forth herein.

IN WITNESS WHEREOF, the PARTIES hereto have executed this AGREEMENT the day and year last signed below.
