### **SECTION 3. GENERAL PROVISIONS**

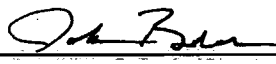

- 3.1. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns.
- 3.2. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof. No prior or contemporaneous representation, inducement, promise or agreement between or among the parties which relate to the subject matter hereof which are not embodied in this Agreement shall be of any force or effect.
- 3.3. No amendment to this Agreement shall be binding on any of the parties unless such amendment is in writing and is executed by the parties. The parties contemplate that this Agreement may from time to time be modified by written amendment which shall be executed by duly authorized representatives of the parties and attached to this Agreement.
- 3.4. Each party warrants and represents that such party has full and complete authority to enter into this Agreement and each person executing this Agreement on behalf of a party warrants and represents that he/she has been fully authorized to execute this Agreement on behalf of such party and that such party is bound by the signature of such representative.
- 3.5. The Project shall be completed by no later than **June 30, 2020**. In the event that the Project is not completed by this date, King County has the discretion, but not the obligation to terminate this Agreement and retain any unexpended Award funds.
- 3.6. This Agreement may be signed in multiple counterparts.
- 3.7. If any provision of this Agreement shall be wholly or partially invalid or unenforceable under applicable law, such provision will be ineffective to that extent only, without in any way affecting the remaining parts or provision of this Agreement, and the remaining provisions of this Agreement shall continue to be in effect.
- 3.8. The amount of the Award has been fully funded by the District. To the extent that funding of the Award requires future appropriations by the King County Council, King County's obligations are contingent upon the appropriation of sufficient funds by the King County Council to complete the Scope of Work. If no such appropriation is made,

this Agreement will terminate at the close of the appropriation year for which the last appropriation that provides funds under this Agreement was made.
