STUDY SESSION SUMMARY

Councilmember Cole opened the meeting and overviewed the agenda. Councilmember Margeson hosted the conversation regarding Vision Blueprint – Redmond's Capital Investment Strategy 2013- 2030.

Mr. Pete Sullivan, Senior Planner, provided a report to the Mayor and Members of the Council regarding Vision Blueprint. Discussion ensued regarding:

- scope of the plan and preliminary next steps;
- the plan being a placeholder for future capital budgets;
- how the plan syncs up with the Comprehensive Plan;
- conducting updates to the plan;
- conducting project updates to the plan every couple of years;
- estimated project costs, and whether or not Vision Blueprint takes into account 'future dollars' that will be needed; it does not all calculations are in present dollars; and
- programs that add to capital assets program improvements.

Mayor Marchione and Members of the Council thanked the staff for all the work they have put into constructing the plan and associating it will other plans/projects.
